- Touch screen control with split and full-screen display modes for moving map and synthetic vision.
- Detachable mount.
- Trig VHF Communication Radio.
- Trig Mode C Transponder with ADS-B Out.
- Integrated or portable ADS-B In available as an add-on.
- Bluetooth transfer of flight plans.

Garmin G3X Touch™ (\$15,500)

- Split and full-screen display modes for moving map, synthetic vision, and attitude indicator with HSI.
- Integrated touch screen control of both Radio and Transponder.
- Display of engine parameters of the Rotax 912iS.
- ADS-B In and Out included.
- Bluetooth transfer of flight plans.
- Realtime display of outside air temperature, true airspeed, and density altitude.

Garmin G3X Touch™ with Autopilot (\$25,000)

Add the comfort and convenience of 2 axis autopilot to your G3X Touch™-equipped A5. The autopilot system in the ICON A5 includes the Garmin GMC 507 control panel, which provides a dedicated interface for advanced autopilot modes and includes the safety-enhancing return-to-level (LVL) button.

Appearance Options (\$7,500)

The Velocity and Pursuit appearance options bring an even sportier feel to sport flying. Striking in their own differences, these exterior options deliver an additional level of personalization for new owners.

Velocity
Embodying the bold and uncompromising mission of the ICON A5.

Pursuit
Inspired by the A5's automotive and powersport design roots.

Additional Training Packages

TX-L Package (\$4,500)

TX-S Package (\$3,000)

ICON Flight Instructor Training Package (\$5,500)

Appearance Options (available Q1 2022)

The Signature livery design of the Type Certified ICON A5 is available in 3 expressive colorways. Striking and unique, these color combinations provide a new level of personalization for A5 owners.

Electric Green

The mesmerizing Electric Green colorway is the flagship design of the A5 Certified Edition. Sure to draw a crowd, this colorway is meant to be noticed.

Electric Blue

Dynamic and captivating, Electric Blue gives the A5 Certified Edition a regal presence on the ramp or in the marina.

Strata Gray

An understated colorway that makes a big statement, Strata Gray celebrates the form and design language of the A5.
